[WikiSuite will now support all major Linux distros](#)

Tuesday July 20, 2021

To the WikiSuite community,

Today, we announce that, going forward, WikiSuite will become supported on all major Linux distros (CentOS, Ubuntu, Debian, etc.) building on the experience gained with ClearOS. This has been happening for several months n

[WikiSuite just received a grant from Grant for the Web to integrate Coil Content Monetization and ILP \(Interledger\) payments](#)

Thursday October 15, 2020

In April 2020, Grant for the Web announced a public call for web monetization project proposals eligible for one of three levels of funding: Spark, Mid-Level, and Flagship. In less than two months, applications were received from 286 applicants.

[Budgeting practices for major software initiatives by Waldo Jaquith \(18F\) at the Michigan Senate Appropriations Committee.](#)
