

Jitsi Meet

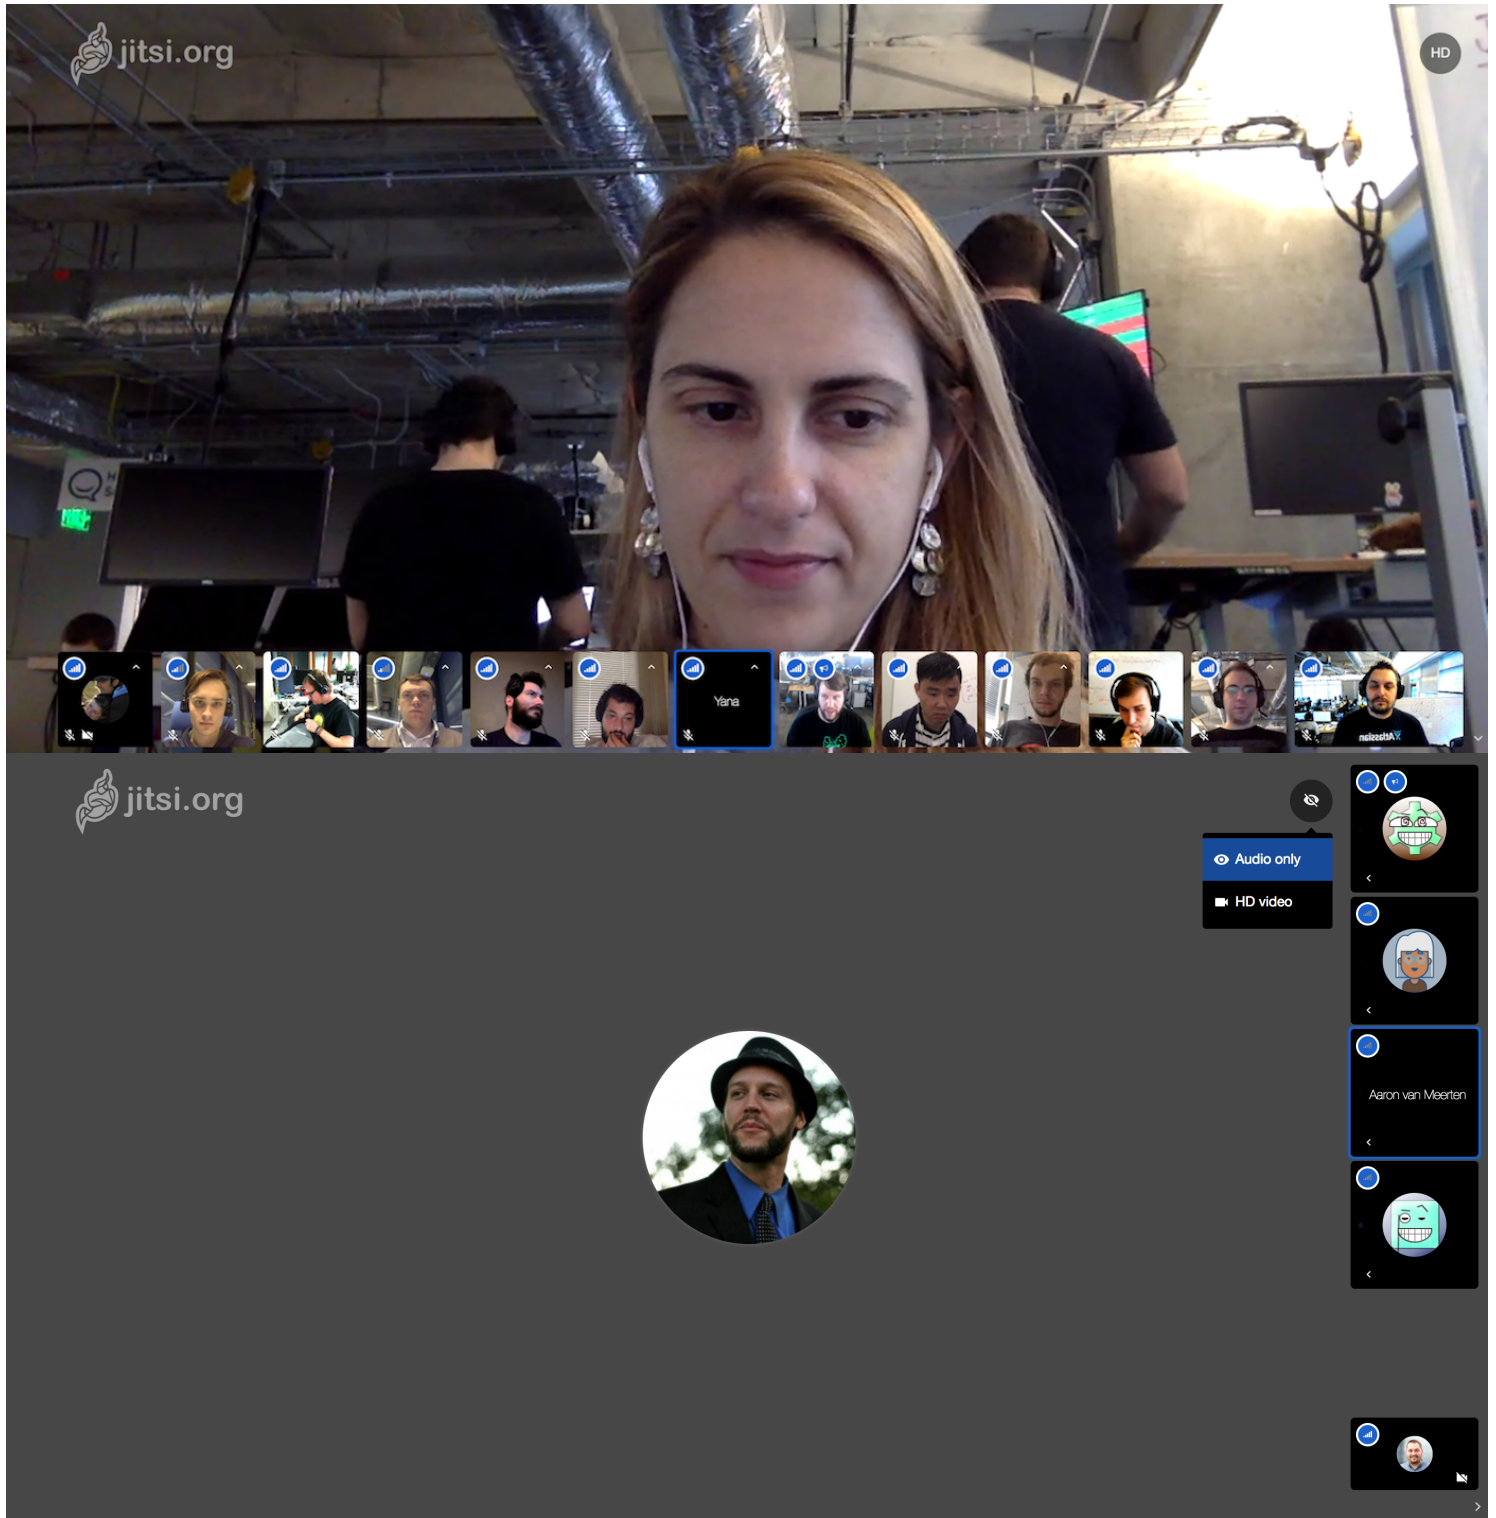

Jitsi Meet is a WebRTC-powered multi-user videochat.

For a live demo, check out <https://meet.jit.si/>.

Please also check out the beta: <https://beta.meet.jit.si/>.

More info at <https://jitsi.org/Projects/JitsiMeet>.

Jitsi Meet started in 2013, emerging from [Jitsi Desktop](#) which had started in 2003.

See also [Jitsi Desktop](#).
